### The Fujieda Girls' Meeting

In order to promote Fujieda City, our female students have been participating in a variety of activities since last year and are continuing to get involved this year as well.

Last year's (2022) activity theme was 'Spread the Word! Our Beloved Fujieda.'

On February 25, 2023, the 7th Fujieda Girls' Meeting Activities' Presentation was held, where we made proposals to the mayor based on initiatives developed through city planning activities from a female perspective. These initiatives included the installation of photo spots at Rengejiike Park, the development of a tourism course around the Tokaido Region, a Japan Heritage site, and the organization of events utilizing a walking tour app.
